STEWARDSHIP HOURS

In helping to strengthen our school community among parents, students, and staff, each family is asked to participate and provide needed help for the school. It is required that each family (parents or parents and children together, or extended family members) provides 21 hours of service (7 hours per trimester) or pays a \$210 fee (\$70 per trimester). You may volunteer more than 7 hours per trimester, but any excess cannot be “banked” for the next trimester or year. Uncompleted hours will be billed at the end of each trimester. A family may opt out of the service hours by paying the entire \$210.00 at the beginning of the school year.

It is your responsibility to fill out the hours you have worked using the tracking system the school provides. This may be digital or hard copy in the office. Office staff are not responsible for recording hours and will total only those reported.

We can always use more help even if you complete your required service hours! We welcome and appreciate your support!

Ways you can complete your stewardship hours include:

- Volunteering in the classroom
- Creating bulletin boards
- Help in the school office
- Complete maintenance projects
- Cleaning / painting / organizing
- Drive on a field trip
- At-home grading
- Work on special projects
- Attend Booster meetings
